

Social Activities Group Update January 17, 2019

To-date, the team including Dori Bryant, Cheryl West and Tina Barber (& unofficially Jeff Barber) have hosted 5 events: Memorial Day, Halloween, Thanksgiving (with Barbara Contafio), Christmas (with Mary Schramm) and the Welcome Back Cocktail Party. Excepting the \$30 for the microphone, mostly all expenses for the events were covered by moneys collected.

The Welcome Back Cocktail Party overhead was \$102 and we brought in \$176, netting a \$73 profit. Clearly the auctions and 50/50 raffles have been great items to include as all of the moneys collected at this last event came from these two items.

All events will include them and we are exploring other ways to add additional items and/or make the auction more profitable.

We will continue to do a drive at the events for funding of a pool table for the clubhouse.
