

Subject: Renovation Update

Dear Residents,

I wanted to provide you with a brief update on the ongoing renovation efforts.

Over the past week, I've had the opportunity to speak with our insurance adjusters. They are currently finalizing the **line-item costs** in hopes of **avoiding the need for a supplemental claim**, which is why we have not yet received additional funds.

Despite this, **progress continues:**

- The **three damaged walls** in **Buildings O and N** have been **fully rebuilt**.
- **Electrical inspections** are scheduled to take place on **Monday, April 14th**.
- **Plumbing rough-ins** will begin shortly thereafter.

We are encouraged by the forward movement and thank you for your continued **patience and understanding** during this process.

As always, please feel free to reach out to me directly with any **comments or concerns**.
