

Reminder to WBCA residents:

Maintenance personnel are available Monday through Thursday to work on your request, typically on a first come, first serve basis, subject to other priority work orders in the queue.

If you are having an issue you feel that cannot wait until normal support hours, please contact:

If your requirement is to repair damage caused by water leaking in your residence, or some other severe condition and you want immediate assistance, refer to the WBCA preferred vendor list at www.windrushbay.org .
