\*No food, beverage, glass containers, or animals are allowed in the pool area.

Additional Rules & Regulations

The **pool gate** will be closed and locked at all times when not in use. First person to the pool unlocks the pool gate. Last person leaving the pool locks the pool gate. Please note - the pool gate stays unlocked while people are in the pool area. Always have your key with you in case you become the last person to leave the pool area.

A thermal **pool cover**, to conserve on heating costs, is used each night (unless very high winds) when the heaters are turned on (usually **November thru March**). The pool cover is to be completely rolled up by the first people at the pool each day (or by the maintenance man). Pool cover must be fully removed before anyone enters the pool. The last people at the pool at dusk or any other Windrush residents in the general area at dusk are expected to cover the pool.

\*Safety line must be in place at all times.

\* Swimmers must remove lotions and oils before entering the pool. Shower before entering the pool.

\*Guests must be accompanied by their resident host.

\* Pool usage is limited to a total six (6) guests per unit at any one time.

\* Children under sixteen (16) years of age may not enter the pool unless accompanied by an adult.

\* Persons with open cuts, skin abrasions or those who are ill should not enter the pool.

\* All trash is to be placed in containers provided.

\* All chairs should be returned to position prior to leaving.

\* All residents have the authority to enforce all rules.

\*Bathing suits are the only appropriate swim wear. No cut-offs permitted in the pool.

\* Chairs or lounges may not be reserved.

\* **The Board of Directors reserves the right to deny use of the pool and facilities for pool violations.**
